

The DI Alumni Association

The DI Alumni Association is an organization comprised of former **team members** of Creative Problem Solving programs. We are focused on supporting Destination ImagiNation® through our volunteerism to develop and nurture the program at the Regional, Affiliate, and Global levels. Our hope is that those people participating in the program now have an experience at least as wonderful, if not better, than ours.

If you would like to become a member of the DI Alumni Association in Michigan, please complete the form below and send it to our Alumni Director. Membership is completely free.
